CEMETERY TRUSTEE MEETING SEPTEMBER 10, 2007

PRESENT: Don Burke, Janet Brown

GUEST: Judy Rogers

Meeting called to order @5:00pm.

Minutes of the August meeting were read and accepted.

Robert Gordon has removed all old stumps at Sugar Hill-Easton Cemetery. Thanks Rob.

Don Burke will replace broken piece of picket fence @ Sugar Hill – Eaton Cemetery. Thanks Don.

Carl Knapp has completed road work on Reservoir Drive. He replaced culverts, dug out ditch and has redirected water that was destroying and undermining Collins Cemetery. Now we can go forward with our plans.

Don Burke made a motion to accept Andrew Spielberger's proposal and plan to restore 210 feet of the front wall of Collins Cemetery for \$13,000.00. We will pay for the large cement blocks material for \$3000.00 to be used as a base to rebuild front old wall raised and set on large concrete blocks of cement. The grade will be on top of blocks which will not show. We will raise the wall of the cemetery the whole length 210 feet long and made so water cannot get behind granite slabs. The present wall is pushing and buckling, ready to collapse. Seconded by Janet Brown.

The money will come from the construction fund the balance is \$24,801.86.

We will look into Waterman Trust funds to see if we can use some of these for construction.

We will replace gate that is there, we will use granite that is there, all stairs will be reset in same location, two old granite posts will hold new gate. We hope this will be done by snowfall.

Don Burke and Don Rogers will check ground in front field to make sure no burials are in that area where there are no headstones or markers before we begin to execute.

Don Burke put up signs in cemeteries no plastic flowers all removed by Oct. 1st.

A letter was written by Chairman Don Burke to Terry Knowles, Attorney General Office asking her about our responsibility at the Quaker Cemeteries. See Don's letter and Terry Knowles response with these minutes.

On our agenda, Trustee Meetings, how many per year do we need. All agreed to keep the same as past years.

Meeting adjourned at 6:10pm.

Respectfully submitted, Janet Brown Secretary
